# Milton Monster Mash Details

The Milton monster Mash is open to all boys and girls in grades 4k-8. This tournament is run by trackwrestling and seeding is used through their format, in which this year we are not using national seeding. We have a new gym so seating is available and we will ask that you not bring lawn chairs. Concessions will be available. Weigh-in spot checks will happen frequently and we ask that you be within 2% of weight class you designated for weight class. Wrestling will start as close to 9:00 as possible. Certified Referees will be on hand with a 1-1-1 period format for all 4k-6 with 7th and 8th graders wrestling in a 1-1:30-1:30 minute periods.
